# HAVE YOUR PI AND EAT IT TOO: A PI DAY GROUP ACTIVITY

### ***What you need:***

- A circular and edible item (one per member)
- A ruler or tape measure
- Pen

### ***Instructions:***

- Measure the item's radius and diameter
- Find the item's area and circumference
- Enjoy your snack!

## **Formulas for finding area and circumference**

$$A = \pi r^2 \quad C = 2\pi r$$

Object	Radius	Diameter	Area	Circumference
